## AT-LARGE ADVISORY COMMITTEE

AL.ALAC/ST.0709/4  
ORIGINAL: English  
DATE: 30<sup>th</sup> July 2009  
STATUS: FINAL

### Statement of the ALAC

On the Public Consultation Related to a Study on Root Server Scaling

Introductory Text  
*By the Staff of ICANN*

The following text was drafted by Patrick Vande Walle, co-chair of the DNS Security Working Group of At-Large, as a reply to the public consultation on the same subject to be found at: <http://www.icann.org/en/public-comment/#root-scaling>. The statement below was open for comments by members of At-Large from 12<sup>th</sup> July to 20<sup>th</sup> July 2009, at [https://st.icann.org/alac-docs/index.cgi?alac\\_statement\\_on\\_terms\\_of\\_reference\\_of\\_the\\_root\\_scaling\\_study\\_al\\_alac\\_st\\_0709\\_4](https://st.icann.org/alac-docs/index.cgi?alac_statement_on_terms_of_reference_of_the_root_scaling_study_al_alac_st_0709_4). No amendments to the draft were proposed during that time.

The ALAC vote on the statement was open from 25<sup>th</sup> to 30<sup>th</sup> July, and resulted in adoption of the statement 11-0-0. The vote results may be independently verified at <https://www.bigpulse.com/pollresults?code=ZN7MrKqI3eCrm4MrvhHd>.

[End of Introduction]

The At-Large Community welcomes and strongly supports the terms of reference for the Root Scaling Study as proposed. This excellent document clearly identifies the issues at stake. We look forward to the findings and the model that will be suggested by this expert team.

[End of Statement]

This document has been translated from English in order to reach a wider audience. While the Internet Corporation for Assigned Names and Numbers (ICANN) has made efforts to verify the accuracy of the translation, English is the working language of ICANN and the English original of this document is the only official and authoritative text. You may find the English original at: <http://www.atlarge.icann.org/correspondence>.
