

## San Francisco Bay Area Chapter of The Internet Society, SFBayISOC

We are a Chapter of the Internet Society, founded by a Board of Directors; Zaid Ali, Annalisa Roger, Ken Krechmer, Franck Martin, Sophia Bekele, and Ted Hardie on Feb 16th 2009. The SF-Bay ISOC chapter serves the San Francisco Bay Area including Silicon Valley by promoting the core values of the Internet Society. Current membership is about 350. Our goals are to:

- Enable members to exchange technical, policy, or otherwise relevant information amongst themselves.
- Provide the opportunity for outreach from the chapter to the local community on these topics.
- Promote the core values of the Internet society.
- Interact with other ISOC Chapters and groups, as well as relevant groups outside of ISOC.

### **San Francisco Bay Area Chapter of The Internet Society, SFBayISOC Objectives**

Develop programs related to standards, public policy, and education for the membership. Provide opportunities for our members to share information and develop local networks amongst other members.
